

MORLEY'S IN MINISTRY

Dear Friends,

We trust this finds you all strong in the Lord and grateful for His many blessings! Here is a quick update about J316 ministries.

So much is happening through J316 Ministries in response to the prayers of God's people!!! Praise the Lord!

As many of you know, J316 ministries is now an official 501(c)3 nonprofit organization which now allows all donations received to be tax deductible.

We are so grateful and encouraged by the many donations received for our personal support as well as for many of the ministry projects! Thank you!

J316 Ministries is now also registered in South Africa as a nonprofit organization and is being managed by my sister, Claudette and her daughter Judi. Thanks SA family for all your help in getting this done!

I leave Thursday (27th May) for South Africa to do ministry using the J316 ball, and of course attend some of the World Cup games!! Please keep Becky and the kids in your prayers as they stay behind!

Becky's brother and wife are staying with us at the moment and they will probably be here until I get back on the 21st June, which will be a real blessing!

We continue to be challenged by the vision that we believe God has given us for J316 ministries, that of;

- Sharing the J316 soccer ball and its message with the world through individuals, churches and ministries:

Please pray for 5,000 J316 balls to arrive in South Africa on time that are to be used in ministry with OneHope ministries during the World Cup.

I will also be helping with their soccer outreach camps while there. Pray too for many more J316 balls needed urgently in South Africa for ministry.

OneHope ministries here in the US have also ordered 2500 J316 soccer balls that will be used as ministry tools in Haiti in the months ahead.

It is so exciting to see many getting the vision to use the J316 balls and share the story of the colors that tell "the greatest story ever told"!!

It is great to hear the stories and see the pictures from those who have used the J316 ball on

mission trips. If you have any please email to us so that we can put them up on the website.

When I get back I will be working with the Bradenton Christian Reformed church to do a J316 indoor soccer camp , 28th June to the 1st July, then another with Calvary Chapel and Pathways Community Church up in Pinellas Park from July 7th to July 10th. These camps are specifically geared for outreach to the "left out" kids in the community. As these camps will be over the period of the soccer World Cup(June 11th to July 11th) it will be a great opportunity to use this platform to reach these communities with the Gospel using the J316 soccer balls. Scholarships are needed for these camps!

- Chaplaincy opportunities:

What an amazing time working with and getting to know these athletes over this past school semester!

Over 60% of the USA U17 men's national soccer team attends the J316 chapel time each week and we are now also seeing more athletes that live and train here at the IMG academies attending.

The school semester ends at the end of May for these athletes and so please prays that the door will remain open for me to continue this chaplaincy opportunity at IMG again in the fall. Text's like these are often received which makes this ministry totally worthwhile, ".....just would like to say thanks for showing and helping me create a relationship with God this semester.....", '..... Thank you so much for everything, I'm going to miss bible study, I looked forward to it each week...'"...you have no idea how much tonight meant to me... I am so grateful"

Many have asked about J316 American footballs, basketballs, volleyballs, rugby balls, etc. We are praying for wisdom and need your continued prayers to ask the Lord to guide us into His perfect will for all the possibilities before us.

We are so grateful for the people the Lord is bringing around us to encourage, support, inspire and guide us in all of this!

May our Lord continue to bless and use you wherever you are,

All because of John 3:16,

Butch and Becky
